

Genuine Onyx

Pet and Human Cremation Urns

Classic Beauty, Distinction and Elegance

The beautiful classic look and feel of polished stone in four pleasing colors plus teak wood. Each urn starts as an individually selected piece of onyx, no two are alike.

These unique handcrafted urns are each available in small, medium, or large.

	CUBIC	HEIGHT INCHES	DIAMETER INCHES	WEIGHT POUNDS
SMALL	26	5	4	3
MEDIUM	130	7.5	6	6
LARGE	205	8.5	7.5	9

Spartan & Athenian

Pet Cremation Urns

Classic Beauty, Distinction and Elegance

These unique hand-cast urns are brass-plated in antique bronze or brushed nickel, and coated with high-quality lacquer. They feature easy closing with permanently sealing, tamper-resistant plugs. Each urn is individually handcrafted, resulting in slight variations in the antique finish making no two exactly alike.

Pewter

Pet and Human Cremation Urns

Classic Beauty, Distinction and Elegance

Pewter is the timeless metal that withstands both time and fashion. Using only the highest grade pewter available, each urn is handcrafted in the old tradition, and finished in a high-luster satin finish. Resulting slight variations make no two exactly alike.
